

Jug jug se yeh bol raha hai  
Dharti ko aakash jab tak  
Tan mein saans hai bande  
Hona nahi niraash  
Tu aas ka dipak jala  
Ke tera bhagwan karega bhala  
Ke tera bhi ke tera bhi din aayega re  
Andhera saara mit jaayega re  
Tu aas ka dipak jala  
Ke tera bhagwan karega bhala

Srishti ka niyam hai pyaare  
Har dam rehata na andhera  
Srishti ka niyam hai pyaare  
Har dam rehata na andhera  
Koi aisi raat na hoti  
Hota nahi jis ka savera  
Vishwaas ki jyoti jala  
Vishwaas ki jyoti jala  
Ke tera bhagwan karega bhala

Kashto se na jo ghabharaye  
Phal usako mila karata hai  
Kashto se na jo ghabharaye  
Phal usako mila karata hai  
Jab sau sau kaante chubhate  
Tab phul khila karata hai  
Dukh sukh ka yahi silsila

Dharti thi dhiraj wali  
Sita ne kya na saha tha  
Dharti thi dhiraj wali  
Sita ne kya na saha tha  
Apne jivan dukhda usne  
Kya kisi se kaha tha  
Maha rani tara mati pe  
Kya kya vipadae padi thi  
Maha rani tara mati pe  
Kya kya vipadae padi thi  
Aur dhany hai savitri jo  
Yamraj se jaake adi thi  
Aur dhany hai savitri jo  
Yamraj se jaake adi thi  
Tu unki yaad na bhula  
Tu unki yaad na bhula  
Ke tera bhagwan karega bhala  
Ke tera bhi ke tera bhi din aayega re  
Andhera saara mit jaayega re  
Tu aas ka dipak jala  
Ke tera bhagwan karega bhala.
