

Tu aaye na aaye magar jaane waale  
Tu aaye na aaye magar jaane waale  
Teri yaad aake sataya karegi  
Tu aaye na aaye magar jaane waale  
Teri yaad aake sataya karegi  
Jo dekhigi rota hain koi akela  
To woh khud bhi aansu bahaya karegi  
Tu aaye na aaye

Jo raato ko taare puchhenge mujhse  
Bata raat bhar tu bhi kyun jaagati hain  
Jo raato ko taare puchhenge mujhse  
Bata raat bhar tu bhi kyun jaagati hain  
Meri neend ab mere bas mein nahi hain  
Ye birhan bahane banaya karegi  
Tu aaye na aaye magar jaane waale

Teri yaad aake sataya karegi  
Tu aaye na aaye

Jahan meri aankhon ka paani girega  
Teri yaad ke phool dhulate rahenge  
Jahan meri aankhon ka paani girega  
Teri yaad ke phool dhulate rahenge  
Savere savere savere savere  
Jo aayegi sabnam  
To dil thaam ke laut jaaya karegi  
Tu aaye na aaye magar jaane waale  
Teri yaad aake sataya karegi  
Jo dekhigi rota hain koi akela  
To woh khud bhi aansu bahaya karegi  
Tu aaye na aaye.
