

Tu aaye na aaye magar jaane vaale
Teri yaad aa kar rulaaya karegi
Rulaaya karegi
Jo dekhega rota hai koi akela
Jo dekhega rota hai koi akela
To khud bhi aansu bahaaya karegi
Bahaaya karegi
Tu aaye na aaye

Jidhar se gaya tu ye raahen hamesha
Jidhar se gaya tu ye raahen hamesha
Tarasti rahengi teri waapasi ko
Tarasti rahengi teri waapasi ko
Udhar se hava bhi jo aaya karegi
Udhar se hava bhi jo aaya karegi
Tera naam lekar sataaya karegi
Sataaya karegi
Tu aaye na aaye magar jaane vaale
Tu aaye na aaye magar jaane vaale
Teri yaad aa kar rulaaya karegi rulaaya karegi
Aaye na aaye

Jo raaton ko taare ye poochhenge mujhase
Jo raaton ko taare ye poochhenge mujhase
Bata tu bhi kyon raat bhar jaagati hai
Bata tu bhi kyon raat bhar jaagati hai
Kahoongi meri neend bas mein nahi hai
Kahoongi meri neend bas mein nahi hai
Ye birahan bahaane banaaya karegi
Banaaya karegi
Tu aaye na aaye magar jaane vaale

Jahaan meri aankhon ka paani girega

Teri yaad ke phool dhoolte rahenge

Savere savere jo aayegi shabanam

To dil thaam kar laut jaaya karegi
Jaaya karegi
Tu aaye na aaye magar jaane vaale

Teri yaad aa kar rulaaya karegi rulaaya karegi
Aaye na aaye.
