

Tu hai bhatakta jugnu koyi
Mai toh andhere ki hu pari
Ho tu hai awara tufan koyi
Mai udta huwa tinka sahi
Aaj apna milan ho gaya
Kis khwab ne chup chap se
Mera badan chu liya
Kis khwab ne chup chap se
Mera badan chu liya
Tu hai bhatakta jugnu koyi
Mai toh andhere ki hu pari

Bahon me leke mujhko sikha de
Sang me tere nach lu
Sab darr mere aaj bhula de
Indra dhanush chu lu
Jaise koyi mor hai nache
Pehali baharo me
Mai ek panchchi sehma
Sehma pehali udan bhare
Tune mujhe udna sikhla diya
Kaisa hasin yeh jadu kiya
Kis khwab ne chup chap se

Hmm tu hai bhatakta jugnu koyi
Mai toh andhere ki hu pari
Ho tu hai awara tufan koyi
Mai udta huwa tinka sahi
Aaj apna milan ho gaya
Kis khwab ne chup chap se
Mera badan chu liya
Kis khwab ne chup chap se
Mera badan chu liya
Tu hai bhatakta jugnu koyi
Mai toh andhere ki hu pari.
