

Jaane kyun har khushi
Ab lage nami thi
Haira hoon dafatan
Kyun teri kami thi
Piya re piya re
Chhoo liya bin chhue
Tu hai bas tu hai
Tu hai bas tu hai

Samjha jo maayoosi
Ab lage hamse thi
Keh dena tha mujhe
Main keh na saki thi
Piya re piya re
Chhoo liya bin chhue
Tu hai bas tu hai
Tu hai bas tu hai

Aaja gale se laga le
Aa dooriyon ko mita le
Tarse kyun
Aur tarsaaye hai
Kyun besharam
Tu sharmaaye hai
Ye dil hua hai tera

lyrics

Tere bina kayi raatein
Socha kiya teri baatein
Bechaini hai din hai sataati
Kaise jeeyein hum
Katti na raatein
Jaana kahan yeh bata
Maahi ve maahi ve
Kyun chhua bin chhue
Tu hai bas tu hai
Tu hai bas tu hai

Maahi ve maahi ve
Maahi ve maahi ve
Maahi ve maahi ve
Maahi ve maahi ve
Ve maahi ve

Maahi ve maahi ve
Kyon chhua bin chhue
Maahi ve maahi ve
Kyon chhua bin chhue
Maahi ve maahi ve
Kyon chhua bin chhue.
