

Haaye piriya piriya piriya
Rules kitabe chhod de,
Tu raste raste mod de
Chun le apna raasta
Koi jode jo tera chashma
To phir se usko tod de
Duniya se kya waasta
Ban ja tu sabun ka sa bulbula
Ho ja tu bilkul behuda aa aa aa o
Tu hai tera khuda, i am so so blase tonight
Tu hai tera khuda, put your hands up in the sky
Tu hai tera khuda, i am so so blase tonight
Tu hai tera khuda, put your hands up in the sky

Aadhi sun le world ki, aadhi apni jod de
Chun le apna raasta
Sidhe sidhe sab chal, tu ulta kurta odh le
Duniya se kya waasta
Chahe kaale brus pe tu to bulleh shah
Teri marzi hai to same size ko pyar jata
Duniya roke to duniya bhi hai dhay dhay
Tu ball ka dot waale jute pahen
Ho ja tu bilkul behuda aa aa aa o
Tu hai tera khuda, i am so so blase tonight
Tu hai tera khuda, put your hands up in the sky
Tu hai tera khuda, i am so so blase tonight
Tu hai tera khuda, put your hands up in the sky

Teri ankhiyo ke dar mere ankhiyo me bich gaye
Raj gaye, khil khil saj gaye sajna ve, sajna ve
Teri galiyo ke gar meri galiyo se mil gaye
Jud gaye, totiya bhi ud gaye sajna ve, sajna ve
Aaja pairon se chhu le aasmaan, chhu le aasmaan
Ho ja tu bilkul behuda aa aa aa o
Tu hai tera khuda, tu hai tera khuda
Tu hai tera khuda, i am so so blase tonight
Tu hai tera khuda, put your hands up in the sky
Tu hai tera khuda, i am so so blase tonight
Tu hai tera khuda, put your hands up in the sky.
