Duniya de naal ladeya
Main baba duniya de naal ladiya

Yahan pe koi bhai nahi hain
Yahan pe koi ni pyaar
Jisko manta main dekh
Wo bhi shambhunath

Unka mere dekh sar pe bhi hath
Unke baare mein sochta
Tabhi duniya aprampaari aake

Wo bhi maharaja neelkanth paas
Meri ek hi ichha jaana kedar hain nath
Wo bhi dekhi baat wo bhi pahadi wo yaad
Sulpha main peeyu manali ke mere yaar

Tu he har jagah mere maalik
Tu he shambhu nath

Tune duniya mein kitne banaye rang
Tujhe dhoondne laga tu ni milta hain ab
Teri pooja karni hain tujhe dekhne ka mann
Ek hi ichha hain mil jaa tu bhi ab

Baba dekhna chahta hoon tujhe ek baar
Tujhe miss karra hoon main bhi din raat
Teri photo ko lagake ghar mein main daily pooja karu
Teri soorat dekhna chahta hoon ek baar

Naam japp le shambhu da jinde meriye
Oh phir le kamm aauga
O kade le kamm aauga

Ho tera chamm ni

Ho tera chamm ni kise de kamm auna
Pashuan de hadd vikkde
Pashuan de hadd vikkde

Naam japp le shambhu da jinde meriye
Oh kede le kamm aauga
O kade le kamm aauga
