

Tu hi mera shiva aankhe khol jara
Tu hi mera shiva aankhe khol jara
Koi nahi is jag mein mera tere shiva
Om nam shivay, om nam shivay
Om nam shivay, om nam shivay
Om nam shivay, om nam shivay

Dodi didi aayi tod ke duniya ki rasme
Dodi didi aayi tod ke duniya ki rasme
Sun le meri duhayi dil ab nahi
Mere bas mein kab tak baru main aahe
Mai paas ki tere tujhse hu dur kitni
Bas tu hi tu janta hai majbur hu kitni
Om nam shivay, om nam shivay
Om nam shivay, om nam shivay
Om nam shivay, om nam shivay
Tu hi mera shiva aankhe khol jara
Koi nahi is jag mein mera tere shiva
Om nam shivay, om nam shivay
Om nam shivay, om nam shivay
Om nam shivay, om nam shivay

Om namo mahakal namami
Jyotir ling mahazal namami
Mrutunjay shashihal namami
Puchhe san tumhari
Mera bhi kuchh socho
Puchhe san tumhari
Mera bhi kuchh socho
Aankh tisari kholo
Kuchh muh se bolo

Aayi tere dar per
Sangit mere man ka
Tere dil ke tar chhede
Bujenge tere man mein
Ek din jeet mere
Koi nahi hai sare jag mein
Mera tere siwa
Om nam shivay, om nam shivay

Om nam shivay, om nam shivay
Om nam shivay, om nam shivay

Tu hi mera shiva aankhe khol jara
Tu hi mera shiva aankhe khol jara
Koi nahi is jag mein mera tere shiva
Om nam shivay, om nam shivay
Om nam shivay, om nam shivay
Om nam shivay, om nam shivay.
