

Aaj kal kyu, main aisa kar raha hun
Tumse saansein, main leke jee raha hun
Kya tumhe bhi, kuch aisa ho raha hai
Dil tumhara, mera naam le raha hai
Mehsoos ye, hua aaj hai

Hum se tum, tum se hum
Bas yahi, baat hai
Zindagi, har khushi tere saath hai
Pehle tum, sirf tum
Sab tere, baad hai
Tu hai, tu hi pyaar hai haan...
Tu hai, tu hi pyaar hai

Raasto, ke kadam tum talak hi modna
Ho sake, unpe tum chalne ki sochna
Sahi ya ghalat, karta hun main aise hi
Pade na farak, rehta hun main aise hi

Sun lo tum sirf tum bas yahi baat hai
Zindagi, har khushi tere saath hai
Pehle tum, sirf tum
Sab tere, baad hai
Tu hai tu hi pyaar hai haan...
Tu hai tu hi pyaar hai
Hmmm...haan...
