

Mai sunata hu tujhe ek kahani sun le
O mere lal zara meri zubani sun le
Mere nanhe mere munne meri aulad hai tu
Maine bhagwan se jo ki thi wo fariyad hai tu
Bap hu tera magar tujhko khila sakta nahi
Dono hatho se kabhi tujhko utha sakta nahi
Tu agar chahe ke ban jau mai tera ghoda
Jo na ban pau to dukh hoga tujhe bhi to
Lekin ek baat mere bache tujhe yaad rahe
Lekin ek baat mere bache tujhe yaad rahe
Dil teri ma ka tere pyar se aabad rahe

Tu hoke bada ban jana apni mata ka rakhwala

Tu hoke bada ban jana apni mata ka rakhwala
Badkismat ke ghar me hua hai paida kismat wala
Tu hoke bada ban jana apni mata ka rakhwala
Tu hoke bada ban jana apni mata ka rakhwala

Tere do hatho ki takat hi takdir hai teri
Tere do hatho ki takat hi takdir hai teri
Mehnat jiska naam hai wo jagir hai teri
Har mushkil se lad sakta hai do do hatho wala
Tu hoke bada ban jana apni mata ka rakhwala
Tu hoke bada ban jana apni mata ka rakhwala

Dekh kisi ke raste ki diwar kabhi na hona
Dekh kisi ke raste ki diwar kabhi na hona
Jab tak jage tera padosi tab tak tu na sona
Dard paraye ka leta hai koi nasibo wala
Tu hoke bada ban jana apni mata ka rakhwala
Tu hoke bada ban jana apni mata ka rakhwala

Pao jaha tere pad jaye phul waha khil jaye
Pao jaha tere pad jaye phul waha khil jaye
Pyar se tere bichhde dil bhi aapas me mil jaye
Kahta hai ye chand sa tukda tu hai mohabbat wala
Tu hoke bada ban jana apni mata ka rakhwala
Tu hoke bada ban jana apni mata ka rakhwala
Badkismat ke ghar me paida hua hai kismat wala

Tu hoke bada ban jana apni mata ka rakhwala
Tu hoke bada ban jana apni mata ka rakhwala.
