

Badal ki palkein pal pal kyun chalke
Samjhega na ye zamana
Aaja hawaon ke daman pe chal ke
Aasan ho saanson ka aana
Teri jaan se bandhi meri jaan
Tu kahan tu kahan tu kahan
Tu kahan tu kahan tu kahan

Badal hai barish hai badal hai barish hai
Gumshuda hia tere gulnishaan
Tu kahan tu kahan tu kahan
Tu kahan tu kahan tu kahan

Badal ke pahlon mein ghulne lagi hai
Ek bawri si badariya
Chahat ke dariya mein ghulne lagi hai
Mohabbat ki meethi si nadiyaan
Mohabbat ki meethi si nadiyaan
Saans le ab bhala kahan

Tu jahan main wahan tu jahan main wahan
Tu jahan main wahan

Haan tum laut aaye toh gumsum ghataayein
Fir gungunaane lagi hai
Bujhti huyi ye baarish ki boondein
Fir jagmagane lagi hai
Ho fir jagmagane lagi hai
Yu hi rehna sada mehebaan
Haan re haan haan re haan haan re haan
Haan re haan haan re haan haan re haan

Barkha ka badal se
Barkha ka badal se
Kar sakega na juda na jahan
Haan re haan haan re haan haan re haan
Haan re haan haan re haan haan re haan
Haan re haan
