

Tu kaun hai tu kaun hai  
Ha yaad aaya hum tum mile the  
Lekin na jane kaha kyu kaise  
Tu kaun hai tu kaun hai  
Ha yaad aaya hum tum mile the  
Lekin na jane kaha kyu kaise  
Tu kaun hai

Shayad nazar ka hai dhokha  
Ye hai shayad khayalo ki baat  
Shayad nazar ka hai dhokha  
Bharatlyrics.com  
Ye hai shayad khayalo ki baat  
Humne gujari thi milke  
Kahi koi baharo ki raat  
Na mujhe hai pata na tujhe hai pata  
Dono bekhobar, ha yaad aaya kaliya  
Khili thi, lekin na jane kaha kyu kaise  
Tu kaun hai tu kaun hai

Aisi magar kya hai uljhan  
Aa mushkil ye aasan kar le  
Aisi magar kya hai uljhan  
Aa mushkil ye aasan kar le  
Hum tum nigahe mila ke  
Phir se aa jan pehchan kar le  
Taki phir jab mile phir yahi na kahe  
Hum zuka ke nazar  
Ha yaad aaya nazare mili thi  
Lekin na jane kaha kyu kaise  
Tu kaun hai tu kaun hai  
Ha yaad aaya hum tum mile the  
Lekin na jane kaha kyu kaise  
Tu kaun hai.
