

Tu kaun hai tera naam kya
Tu kaun hai tera naam kya,
Dil dhadakane vale teraa nam kya
Tu kaun hai tera naam kya

Mujhse pyar karna hai
Itana too samajh le
Achchha lagu aaja nahi
Te bachake too nikal le
Jay mata ke bhakt hain
Vado ke sakht hain
Aakash se ham aaye
Tan mann ke ham hain sachche
Marati hain ham pe ladakiya
Budhe aur bachche

Are naa ham amitabh naa dilip kumar
Naa kisi hero ke bachche,
Ham hain sidhe sade akshay
Ham hain sidhe sade akshay

O kabhi daing kabhi dung
Aise akshay akshay
Kabhi baing kabhi
Bum vaise akshay
Mujhse pyar karna hai
Itana too samajh le
Achchha lagu aaja nahi
Te bachake too nikal le

Mohabbat nibhane kaa tujhame ho dam
Sath mere chal sake toh badha kadam

Mohabbat nibhane kaa tujhame ho dam
Sath mere chal sake toh badha kadam
Meri kamajorio se kar sake jo pyar too
Karna ikarar nahi te karde inkar too

Are naa ham amitabh naa dilip kumar
Naa kisi hero ke bachche,
Ham hain sidhe sade akshay

Ham hain sidhe sade akshay
O kabhi daing kabhi dung
Aise akshay akshay
Kabhi baing kabhi
Bum vaise akshay
Mujhse pyar karna hai
Itana too samajh le
Achchha lagu aaja nahi
Te bachake too nikal le

Har dil me jhuth thoda
Thodi sachchayi bhi hai
Kuchh burayi toh
Mujhame achchhayi bhi
Har dil me jhuth thoda
Thodi sachchayi bhi hai
Kuchh burayi toh
Mujhame achchhayi bhi
Chahe chahat samajh
Chahe khudagarji
Aana apni marji se o
Teraa jana meri marji
