

Soniye..soniye..soniye,

Jaan main soniye tere,
Nawein kar jawan,
Jad vi tere kol aawan,
Wichon wich darr jawan,

Teri yaadan nu sochan wich,
Gall naal main lawan,

Tu ki jaane soniye,
Main tainu kinna chawan,
Tu ki jaane soniye,
Main tainu kinna chawan,

Akhan tarsangi teri nu paune layi,
Sara din tera raah hi takdiyan rehndiyan ne,
Bullyian main das kiven samjhawan ni,
Ae bas tera naa hi japdiyan rehndiyan ne,

Har wari tere kol main aa,
Piche mud jawan,

Tu ki jaane soniye,
Main tainu kinna chawan,
Tu ki jaane soniye,
Main tainu kinna chawan,

Soniye ni..soniye ni..,

Jad tu niwien pa ke kolon langdi ae,
Saun rab di oh pal mera ruk jaave ni,
Kar ke ohla jad mere wal takdi ae,
Lagdae jiwein saah mera ruk jaave ni,

Pyar tere da asar hove,
Mainu wich hawawan,

Tu ki jaane soniye,
Main tainu kinna chawan,

Tu ki jaane soniye,
Main tainu kinna chawan,

Jashan tan firdae layi badiyan assan ni,
Dekh ke kidre pyar ohda thukrayi na,
Preet tan tainu manni baithae rab apna,
Ohde kolon hath tu kade chudayi na,

Ik pal vi tainu bhulan,
Te othe mar jawan,

Tu ki jaane soniye,
Main tainu kinna chawan,
Tu ki jaane soniye,
Main tainu kinna chawan,
Tu ki jaane soniye,
Main tainu kinna chawan,
Tu ki jaane soniye,
Main tainu kinna chawan,

Mukdi na ae raat jehi,
Te kade din chade tak aawan,
Ohda mukh vekhan da chaa mainu,
Ke ohnu dil da haal sunawa,

Tu ki jaane soniye,
Main tainu kinna chawan,
Tu ki jaane soniye,
Main tainu kinna chawan.
