

Tu kya banaye bigdi kisi ki
Tu kya kisi ke aansu pochhe
Tu khud ban baitha hain patthar
Hum kis haal mein tu kya soche

Tere pichhe duniya andhi
Aur tu andho se andha
Ho tere pichhe duniya andhi
Aur tu andho se andha
Tu pathhar hain kya jaane
Tu pathhar hain kya jaane
Tere dar pe chalta dhandha
Tere pichhe duniya andhi
Aur tu andho se andha
Tu pathhar hain kya jaane
Tu pathhar hain kya jaane
Tere dar pe chalta dhandha

Raah raah pe baithe bhookhe
Do roti ke laale hain
Aur tere dar pe bhar bhar ke
Log mithai daale hain
Ho raah raah pe baithe bhookhe
Do roti ke laale hain
Aur tere dar pe bhar bhar ke
Log mithai daale hain
Jo pinjare mein hain bandi
Woh kasie ude parinda
Tu pathhar hain kya jaane
Tu pathhar hain kya jaane
Tere dar pe chalta dhandha

Jo aankhon pe bandhe patti
Wohi dor sambhale hain
Jo aankhon pe bandhe patti
Wohi dor sambhale hain
Do paato ke beech sada hi
Piste bhole bhale hain
Piste bhole bhale hain

Ye duniya hain baazari
Yahan moar bike aur banda
Tu pathhar hain kya jaane
Tu pathhar hain kya jaane
Tere dar pe chalta dhandha

Rabba mere rabba rabba
Rabba mere rabba
Rabba mere rabba mere rabba
Rabba mere rabba rabba
Rabba mere rabba
Rabba mere rabba mere rabba

Ek chehare pe
Hain kahin chehare
Log naqabo wale hain
Sidhi chaal chale na koi
Bas chalo pe chaale hain

Aa ek chehare pe
Hain kahin chehare
Log naqabo wale hain
Sidhi chaal chale na koi
Bas chalo pe chaale hain
Par padta baari baari
Ye bina hath ka danda
Tu pathhar hain kya jaane
Tu pathhar hain kya jaane
Tere dar pe chalta dhandha

Rabba mere rabba rabba
Rabba mere rabba
Rabba mere rabba mere rabba
Rabba mere rabba rabba
Rabba mere rabba
Rabba mere rabba mere rabba.
