

Are tu kya jaane tujhamein kya hai  
Teri muhabbat mera khuda hai  
Husn kayaamat chaal kayaamat  
Gaal pe bikhare baal kayaamat  
Chalati firati aafat ho tum  
Aafat pe dil mera fida hai  
Tu hai jameen pe suni hai jannat  
Kaun kare abb usase mohabbat

Khuda pareshan tujhako banaake  
Husn khudaayi tujhamein basaake  
Phir na banegi tujhasi haseena  
Saara husn toh tujhame bhara hai

Teri shakl jab usane banaayi  
Pyaar ki khushbu hawa mein aayi  
Jhum uthe sab nashe mein baadal  
Nashe mein main bhi toh gaya paagal  
Jhumein nashe mein chaand aur taare  
Meri tarah tere pyaar ke maare  
Suraj ke dil mein aag hai teri  
Ishq mein tere woh bhi jala hai

Haath mein tera haath rahe toh  
Duniya se takara sakata hoon  
Nochake suraj chaand sitaare  
Iss dharati pe laa sakata hoon  
Dur na hona dil se lagaake  
Rakh dunga warana duniya jalaake  
Tere bina main ji na sakunga  
Teri mohabbat mera khuda hai

Are tu kya jaane tujhamein kya hai  
Teri muhabbat mera khuda hai  
Teri muhabbat mera khuda hai  
Teri muhabbat mera khuda hai  
Teri muhabbat mera khuda hai  
Teri muhabbat mera khuda hai  
Teri muhabbat mera khuda hai.
