

Iss kaayanaat ki ruh ka ek hissa hai hum
Alfaaj toh usike hai bas aawaaj hamaari hai
Hum sirf dohane

Tu le chal mujhe haan le chal mujhe
Tu le chal mujhe haan le chal mujhe
Mere saai ka pehara jahaan pe hai
Khushbuo ka dera jahaan pe hai
Bichhe ho phoolon ki kaali jahaan
Tu le chal mujhe haan le chal mujhe
Tu le chal mujhe haan le chal mujhe

Tinako ki kataar mein main hoon khada
Khwaaja ki najar mujhape pad jaayein
Tinako ki kataar mein main hoon khada
Khwaaja ki najar mujhape pad jaayein
Sama jaau main usaki aaghosh mein
Iss dil mein usi ki hi saansein chale
Iss dil mein usi ki hi saansein chale
Tu le chal mujhe haan le chal mujhe
Tu le chal mujhe haan le chal mujhe
Inshaah ki inaayat jahaan pe hai
Mere rab ki rehmat jahaan pe hai
Noor-e-suraj karein ruh ko roshan jahaan
Tu le chal mujhe haan le chal mujhe

Bulbula hoon bas main toh paani ka
Waqt ki dhaara mein yuun hi behata huwa
Bulbula hoon bas main toh paani ka
Waqt ki dhaara mein yuun hi behata huwa
Saagar ki god mein main hoon pala
Isa tu mujhako phir usase mila
Isa tu mujhako phir usase mila
Tu le chal mujhe haan le chal mujhe
Tu le chal mujhe haan le chal mujhe
Naanak ki nigaah jahaan pe hai
Sabr sanyam ki raah jahaan pe hai
Ho hawaa mein jannato ke abrr jahaan

Tu le chal mujhe haan le chal mujhe
Tu le chal mujhe haan le chal mujhe

Tu le chal mujhe haan le chal mujhe
Tu le chal mujhe haan le chal mujhe
Mere saai ka pehara jahaan pe hai
Khushbuo ka dera jahaan pe hai
Inshaah ki inaayat jahaan pe hai
Mere rab ki rehmat jahaan pe hai
Naanak ki nigaah jahaan pe hai
Sabr sanyam ki raah jahaan pe hai
Noor-e-suraj karein ruh ko roshan jahaan
Tu le chal mujhe.
