

Tu mera aasman  
Sa lage kyun  
Uda uda sa phirun  
In hawaaon me kyun  
Oh tu mera raasta  
Sa lage kyun  
Juda juda sa phirun

Teri raahon me kyun

Sondhi hai dhani hai  
Baarish ka pani hai  
Khwahish puraani hai tu hi tu  
Jhini hai bhini hai  
Chai me chini hai  
Pyaale me peeni hai tu hi tu  
Meethi bhi lage  
Thodi khaari lage  
Chatkhaari zara  
Par pyaari lage  
Tu mera aasman  
Sa lage kyun  
Uda uda sa phirun  
In hawaaon me kyun

Tera iraada karta hun  
Din raat tuhpe marta hun  
Dil mera tera aadha hai  
Simple sa wada karta hoon  
Tera intezaar hai  
Dil taar taar hai  
Aaja kehde zara ki  
Pyar pyar pyar hai

Tu mera aasman sa lage  
Kyun uda uda sa phirun  
In hawaaon me kyun  
Oh tu mera raasta  
Sa lage kyun  
Juda juda sa phirun
