

Meraa janam meraa sajan, meraa sajan meraa balam
Meraa balam meraa majnu, meraa majnu meraa ranjha
Janu
Too meraa janu hai too meraa dilbar hai
Too meraa janu hai too meraa dilbar hai
Meree prem kahanee kaa too hero hai
Par premgranth ke panno par
Apanee takdir toh zero hai ho
Too meraa janu hai, too meraa dilbar hai
Meree prem kahanee kaa too hero hai
Par premgranth ke panno par
Apanee takdir toh zero hai ho

Dilwalo me naa koyee ameer hota hai naa garib hota hai
Kisee kisee ko yeh pyar naseeb hota hai
Kisee kisee ko yeh pyar naseeb hota hai
Dil kee duneeya se duneeya dur hotee hai
Dil karib hota hai
Koyee koyee aisa khushnasib hota hai
Koyee koyee aisa khushnasib hota hai
Teree baten too hee jane mai toh bas itna janu
Jnu janu janu
Too meraa janu hai, too meraa dilbar hai
Meree prem kahanee kaa too hero hai
Par premgranth ke panno par
Apanee takdir toh zero hai, ho

Aa aa aa aa aa
Premee ke hathon me premlakir hotee hai
Tehrir hotee hai
Nahee nahee aankho me tasvir hotee hai
Pyar woh karte hai jinki takdir hotee hai
jagir hotee hai
Kuchh bhee ho lekin ranjhe kee heer hotee hai
Kuchh bhee ho lekin ranjhe kee heer hotee ha
Yeh sab kisse hain purane
Mai toh bas itna janu
Ke premgranth ke panno par
Apanee takdir toh zero hai ho
Ke premgranth ke panno par

Too meraa hero hero he hooo

Aa aa aa aa aa aa

Itna kafee hai too mujhe

Pyar karta hai ikrar karta hai

Yad tujhe ek pal me dil sau bar karta hai

Dekhe kaun juda hamko

Dildar karta hai inkar karta hai

Pyar kahan logo kaa intajar karta hai

Teree baten too hee jane mai toh bas itna janu

Janu janu janu janu, janu janu janu janu janu

Mai teraa janu hu too meree dilbar hai

Mai teraa janu hu too meree dilbar hai

Par premgranth ke panno par

Too meraa hero hai ho

Mai teraa janu hu too meree dilbar hai

Mai teraa janu hu too meree dilbar hai

Mai teraa janu hu too meree dilbar hai.
