

Tu Mera Lover Lyrics

Tu mera lover lover lover
Main tujhko diya flower
Tu mera lover lover lover
Pettave chevalo cauliflower

Neelaga nachchalede
Gicchalede evvaru
Chokkale chimpukore
Naaku laaga andaru

Nuvvemo tulasi kota
Lona koncham ganja flavour
Mee babu ninnu minchi
Inka pedda lofer

Paikemo scotch bottle laaga nuvvu super
Nee mindu chudabothe cheapu liquor
Naa gonthu kostheve donga teacher

Hey tu mera lover lover lover
Main tujhko diya flower
Tu mera lover lover lover
Pettave chevalo cauliflower

Ososi jinka paruge thakinka
Nee teega laagi pattesa donka
Neelanti pillu unte prati jilla
Kolleru godaa tellarekalla

Ninnenni bandaboothulu
Thittukunna thappu ledhe
Naa usure neeku thagili
Zindagi lo pelli kaadhe

Nee kosam padichastunte
