

Sukh me rahiye dukh me rahiye
Jaha bhi rahiye
Pyar se rahiye
Prabhu ke jag me nar nari hai
Jivan ghadi ke do pahiye

Tu preetam se karle pyar
Tu preetam se karle pyar

Pyar tera ho jayega bedha paar
Isi pyar me tujhe milenge
Jag ke khewan haar
Tera ho jayega bedha paar

Kajal bindiya chudiya teri
Nath ke tere moti
Kajal bindiya chudiya teri
Nath ke tere moti
Sabhi chamakte jab tak chamke
Piya naam ki jyoti
Isi jyot se jagmag karle
Tu apna sansar
Tera ho jayega bedh paar
Tu preetam se karle pyar
Pyar tera ho jayega bedha paar

Chahe mahal chahe kuti ho
Ya jungle ka dhera
Chahe mahal chahe kuti ho
Ya jungle ka dhera
Jaha hai tere pati parmashwar
Wahi hai tirath tera
Pati charno ki dhul se behna
Apni mang saja
Tera ho jayega bedh paar
Tu preetam se karle pyar
Pyar tera ho jayega bedha paar

Dekh pati ki aankho se tu
Bol pati ki boli

Dekh pati ki aankho se tu
Bol pati ki boli
Abt samay pati ke kando pe
Nikle teri dholi
Patvarta ke liye khule hai
Sada swarg ke dawar
Tera ho jayega bedh paar
Tu preetam se karle pyar
Pyar tera ho jayega bedha paar
Isi pyar me tujhe milenge
Jag ke khewan haar
Tera ho jayega bedha paar
Tu preetam se karle pyar
Pyar tera ho jayega bedha paar.
