

Aansuwon mein shamil hai tu
Mujhse jiya jaaun,

Tere bina kuch nahi main
Mujhko hi bolun
Mujhko hi gaaun,

Tu zaroorat nahi, tu zaroori hai
Tu zaroorat nahi, tu zaroori hai
Tu zaroorat nahi, tu zaroori hai

Raah vekh teri ab tang ho gayi
Jeene mere liye jaise ek jang ho gayi
Yahan wahan jaane kahan kahan khoj liya
Tere bin jiya jaaye na mujhse,

Teri yaad mein raaten
Teri yaad mein subah
Tere sang hai ujaale tere bin hai andhera
Rabb se bhi zyada tu lage hai zaruri
Hai zaruri, hai zaruri, hai zaruri.

Qaid mein tha
Ab riha hoon
Gul huwa parinda,

Beh raha hoon

Tujhme hi main
Mujhme hi main zinda.

Aa mila hai tujhse tu na jaana
Mil gaya hai jeene ka bahana.

Jhooth si hai sari dunia
Bas tu hi hai haqiqat
Dard mein tu yun mila hai
Mil gayi jaise jannat,

Jee rahi hoon tumse milne jaana
Tujhse pehle saans ho rawaana

Tu zaroorat nahi
Tu zaroori hai
Tu zaroorat nahi
Tu zaroori hai
Tu zaroorat nahi
Tu zaroori hai.
