

Tujhe bhul ke maati ki putali par  
Koi mann ki khidaki khol rahaa  
Jisame teraa naam tule jag usame  
Sonaa-chaandi tol rahaa

Apanaa kyaa hai ham to anajaane  
O teri duniyaa kaisi tu jaane  
Jivan path pe nikale do pal ko ham  
Apane ji ko bahalaane  
O teri duniyaa

Tune jab duniyaa ye banaai  
Dharati ki chaadar phailaai  
Chandaa-suraj ki jot jalaai  
Par jisake lie jag tune rachaa  
Vo karake ise viraan rahaa  
Dharati ki chaadar chhin chukaa  
Ab chaand aur suraj maang rahaa

Ye tere bando ke afasaane  
O teri duniyaa

Uti gagaa bahe  
Jogi chup kaise rahe  
Ab devataa kuchh bhi nahi  
Maanavataa kuchh bhi nahi  
Yaar se yaari gai vo diladaari gai  
Aisi chhaayaa tale ham divaane bhale  
Kaisaa pyaar kahaan ki dosti kaisaa rishtaa-naataa  
Tere hote insaan teraa shaitaan huaa o daataa  
Par ye kyaa kah rahe ham divaane  
O teri duniyaa

Jab dil me paraayaa dard uthe  
Duje ke tu kaam aae yaaraa  
Tab gyaan milaa jivan tujhako  
Chaandi-sone se bhi pyaaraa  
Varanaa dhan to chiz hi kyaa hai  
Kahe miyaan naziraa kaa ikataaraa  
Sab thaath padaa rah jaaegaa

Jab laad chalega bajaaraa  
Kaam aaenge yahi pyaar ke nazaraane  
O teri duniyaa.
