

Tujhe chor kahu ya qatil  
O baato baaton mein tune mera dil  
Kar liya chori haay haay chori  
O baato baaton mein tune mera dil  
O chhori tujhe chor kahu ya qatil  
Haay haay qatil

Bedard sitam o beparwaah  
Bekal chanchal chatkili si  
Dil sakht qayamat patthar saa  
Aur baate narm rasili si  
Kazraari aa aankh katili si  
Matwaari naar hatili si  
O akhiyaan mast nasheeli si  
Kuchh kaali si kuchh peeli si  
O tujhe chor kahu ya qatil

Haay haay qatil

Roothe machale so swang kare  
Baaton mein lade nazron mein mile  
Aye hosh qayamat kaatil ka  
Jo baat kahoon woh sab samjhe  
Yeh sokhi suphurti betaabi  
Bijali ki tarah chamke chamke  
Chanchak achpal chatke matke  
Sar khole kaampe has haske  
O tujhe chor kahu ya qatil  
Haay haay qatil

Jee chahe tujhe baahon mein liye  
Kho jaaun mast baharon mein  
Haan door kahin phir udd jaaun  
Haste huye chaand sitaaron mein  
Aye husn ki malika dil le kar  
Ab khoone tamanna na phirna  
Jo aaj kahoon mujhe kehna de  
Kisi baat pe tu na na karna

Tujhe chor kahu ya qatil

O baato baaton mein tune mera dil  
Kar liya chori haay haay chori  
O baato baaton mein tune mera dil  
O chhori tujhe chor kahu ya qatil  
Haay haay qatil.
