

Vaah re vaah baat hai tu mere sath hai
Vaah re vaah baat hai tu mere sath hai
Taro ki raat hai pyar ki barat hai

Tujhe manga tha tujhe paya hai
Tujhe manga tha tujhe paya hai
Tujhe manga tha tujhe paya hai
Ab jaake raam pe yaki aaya hai
Ab jaake raam pe yaki aaya hai
Raam raam raam raam raam raam

Tujhe manga tha tujhe paya hai
Tujhe manga tha tujhe paya hai
Tujhe manga tha tujhe paya hai
Ab jaake raam pe yaki aaya hai
Ab jaake raam pe yaki aaya hai
Raam raam raam raam raam raam

Sadiyo se thi apani duri
Din the adhure raat adhuri
Janmo se hun teraa deewana
Jinda rahana tha bahana
Sajan jab tu aur kahi tha
Sajan jab tu aur kahi tha
Is duniya me kuchh bhi nahi tha
Kuchh bhi nahi tha

Jis din apana pyar bana hai
Jis din apana pyar bana hai
Us din se sansar bana hai
Mujhe chhod na dena raam kasam
Dil tod na dena raam kasam
Hatho ki lakiro me tujhako paya hai
Ab jaake raam pe yaki aaya hai
Ab jaake raam pe yaki aaya hai
Raam raam raam raam raam raam

Tujhe manga tha tujhe paya hai
Ab jaake raam pe yaki aaya hai
Vaah re vaah baat hai tu mere sath hai
Taro ki raat hai pyar ki barat hai

Indradhanush agadai hai teri
Chand nahi parachhai hai teri
Jab tak chamakege do tare
Duniya legi naam hamare
Pyaar ki dhun pe gata rahuga
Pyaar ki dhun pe gata rahuga
Ban ban ke raam aata rahunga
Aata rahunga

Chhod ke sare rang chalungi
Chhod ke sare rang chalungi
Jungal jungal sang chalungi
Tu raam hai mera raam kasam
Tu sita meri raam kasam
Dhup hu mai tu mera chhaya hai
