

Tujhe zindagi ki tarah chahti hu  
Na jane ye kyu tujhse kah na saki main  
Kayi bar socha ki ikrar karlu  
Gale se lagake tujhe pyar karlu  
Tere samne hal dil ka sunati  
Main bebas thi ye tujhko kaise batati  
Mujhe apne ghar apne majhab ka dar tha  
Isi dar se maine juba tak na kholi  
Tera khwab tha main banu teri dulhan  
Tere ghar mein hi jaye bas meri doli  
Magar apni kismat mein ye sab nahi tha  
Tujhe ho na ho par mujhe to yakin tha  
Tere sath main ji na payi to kya gham  
Tere sath marne ki mujhko khushi hai  
Ye do char sanse jo baki bachi hai  
Yahi hai mohabbat yahi zindagi hai
