

Tujhko darya dili ki kasam saaqiya,
Mustakil daur par daur chalta raha
Raunak-e-maikada yoon hi badhti rahe
Ek girta rahe ik sambhalta rahe

Shirf sabnam hi shaan-e-gulistaa nahin
Shola-o-gul ka bhi daur chalta rahe
Ashq bhi chasm-e-purnam se behte rahe
Aur dil se dhooan bhi nikalta rahe

Tere kabze mein hai ye mizaami jahaan
Tu jo chaahe to sehra bane gulsitaan
Har nazar par teri phool khilte rahe
Har ishaare pe mausam badalta rahe

Tere chehre pe ye zulf bikhri huyee

Neend ki godh mein subah nikhri huyee
Aur is par sitam ye adaayen teri
Dil hai aakhir kahan tak sambhalta rahe

Is mein khoon-e-tamanna ki taaseer hai
Ye wafa-e-mohabbat ki tasveer hai
Aisi tasveer badle ye mumkeen nahin
Rang chaahe zamaana badalta rahe.
