

Doori dard, milan hai masti
Duniya mujhko dekh ke hansti
Ishq mera badnaam ho gaya
Karke teri husn parasti

Koi jogi, koi kalander
Rehta hai apne mein
Koi bhula hua sikander
Rehta hai apne mein

Koi jogi, koi kalander
Rehta hai apne mein
Koi bhula hua sikander
Rehta hai apne mein

Ho..sajke dikhayegi
Ho..hans ke bulayegi
Ho..raj ke nachayegi
Tuk tuk tuk karti chalti
Thaari maari zindagi
Re bole, re bole dhola dhol dhadak dhin
Dhadak dhin, dhadak dhin

Re tuk tuk tuk tuk karti chalti

Meethi thari zindagi
Re bole, re bole dhola dhol dhadak dhin
Dhadak dhin, dhadak dhin

Apni marzi se banti bigadti, banti bigadti
Dhuan nahi, agg nahi phir bhi hai jalti
Oye hoye, oye hoye, oye hoye, oye...

Apni hi marzi se banti bigadti
Banti bigadti, banti bigadti
Dhuan nahi, agg nahi phir bhi hai jalti
Oye hoye, oye hoye, oye hoye, oye...

It's a take down
You gonna hit the ground hard
But life gets you hard and dhobi pachhad

What lovin' fightin' ain't far apart
You can love the fight but
You can't fight your heart

Apni marzi se banti bigadti, banti bigadti
Dhuan nahi, agg nahi phir bhi hai jalti
Oye hoye, oye hoye, oye hoye, oye hoye...

** ground start shakin'
Makin' sounds that you shouldn't be makin'
Takin' steps out of your comfort zone
And you're fine to fight most your battles alone

O taare jaisi chal chal hai
Resham hai ya malmal hai
Ya phir gehri daldal hai
Zindagi ya ra ra ra...

Din din ghat'ti jaati hai
Phasal ye kat'ti jaati hai
Nazar se hat'ti jaati hai
Zindagi ya ra ra ra...

Dil samjhe nahi patandar
Rehta hai apne mein
Bas banta phire dhurandar
Rehta hai apne mein

Dil samjhe nahi patandar
Rehta hai apne mein
Bas banta phire dhurandar
Rehta hai apne mein

Ho...

Ho..sajke dikhayegi
Ho..hans ke bulayegi
Ho..raj ke nachayegi
Tuk tuk tuk karti chalti
Thaari maari zindagi
Re bole, re bole dhola dhol dhadak dhin

Dhadak dhin, dhadak dhin

Re tuk tuk tuk tuk karti chalti

Meethi thaari zindagi

Re bole, re bole dhola dhol dhadak dhin

Dhadak dhin, dhadak dhin

Re tuk tuk tuk tuk karti chalti

Meethi thaari zindagi

Re bole, re bole dhola dhol dhadak dhin

Dhadak dhin, dhadak dhin.
