

Dil leke aa gaya hu
Dil ko kubul karle
Khud ko bhulane wali
Dil leke bhul karle
Tu karle koi wada
Kya hai tera irada
Tadpa na mujhko jyada
Ab samne tu aaja
Aaja aaja aaja aaja aaja

Tukur tukur tukur tukur
Tukur tukur tukur tukur
Dhundhu tujhe idhar udhar
Idhar udhar idhar udhar
Chhupi kaha tu itna bata de
Pyar se na mere
Mukar mukar mukar mukar
Tukur tukur tukur tukur
Tukur tukur tukur tukur
Dhundhu tujhe idhar udhar
Chhupa kaha tu itna bata de
Pyar se na mere
Mukar mukar mukar mukar
Tukur tukur tukur tukur
Tukur tukur tukur tukur

Tukur tukur tukur tukur

Bajte hi raat ke barah
Dekhunga rasta tumhara
Charch ke pichhe akhiyo ko meeche
Chhup chhup ke aana ho yaara
Tu mujhko jaan se pyara
Milan hoga kaise hamara
Ghar ke niche rehti hai aanti
Khatre ki ghanti hai yaara
Chhupi kaha tu itna bata de
Pyar se na mere
Mukar mukar mukar mukar
Tukur tukur tukur tukur

Tukur tukur tukur tukur
Dhundhu tujhe idhar udhar
Chhupa kaha tu itna bata de
Pyar se na mere
Mukar mukar mukar mukar
Tukur tukur tukur tukur

Tu itna kahe ko darti
Bol mujhe pyar nahi karti
Khidki ke raste aana utar ke
Mujhpe agar tu hai marti
Zidd teri kar dungi puri
Thodi si hai majburi
Maine mana tu hai akela
Bas raat bhar ki hai duri
Chhupi kaha tu itna bata de
Pyar se na mere
Mukar mukar mukar mukar
Tukur tukur tukur tukur
Tukur tukur tukur tukur
Dhundhu tujhe idhar udhar
Chhupa kaha tu itna bata de
Pyar se na mere
Mukar mukar mukar mukar
Tukur tukur tukur tukur
Tukur tukur tukur tukur
Dhundhu tujhe idhar udhar
Chhupi kaha tu itna bata de
Pyar se na mere
Mukar mukar mukar mukar
Tukur tukur tukur tukur
Tukur tukur tukur tukur
Tukur tukur tukur tukur
Tukur tukur.
