

Tum chhahe jaban se kuchh na kaho  
Tum mujhse mohabbat karti ho  
Mere baare mein sochati ho  
Tanhaai mein aahein bharti ho  
Tum chhahe jaban se kuchh na kaho  
Tum mujhse mohabbat karti ho  
Mere baare mein sochati ho  
Tanhaai mein aahein bharti ho  
Tum chhahe jaban se kuchh na kaho

Kyun karwat karwat jalti ho  
Tum biraha ke angaaro par  
Chup-chaap hi likhati ho  
Kyun naam mera deewaro par  
Kyun karwat karwat jalti ho  
Tum biraha ke angaaro par  
Chup-chaap hi likhati ho  
Kyun naam mera deewaro par  
Raato ko tum chhat par aakar  
Kyun taare ginati rehati ho  
Mere baare mein sochati ho  
Tanhaai mein aahein bharti ho  
Tum chhahe jaban se kuchh na kaho

Jab koi saheli aati hain  
Kyun usko alag le jaati ho  
Kyaa woh bhi aane waale hain  
Ye puchha ke kyun sarmati ho  
Jab koi saheli aati hain  
Kyun usko alag le jaati ho  
Kyaa woh bhi aane waale hain  
Ye puchha ke kyun sarmati ho  
Mere aane ki khabar sunke  
Kyun banti aur sanwanti ho  
Mere baare mein sochati ho  
Tanhaai mein aahein bharti ho  
Tum chhahe jaban se kuchh na kaho

Hain dono taraf ek aaga lagi  
Ye aag lagi to kaise lagi

Aansu bhi bahein barkha bhi huyi  
Ye dil ki lagi thi bujh na saki  
Hain dono taraf ek aaga lagi  
Ye aag lagi to kaise lagi  
Aansu bhi bahein barkha bhi huyi  
Ye dil ki lagi thi bujh na saki  
Jaise ke main tummein khoya hoon  
Tum mujh mein khoi rehato ho  
Mere baare mein sochati ho  
Tanhaai mein aahein bharti ho

Tum chhahe jaban se kuchh na kaho  
Tum mujhse mohabbat karti ho
