

Tum he to ho tum hi raho  
Mere maherban mere rajdaar  
Ek tum hi to ho  
Badale rute badale jahan  
Dil ke sansaar main is pyaar main  
Koi aur na ho  
Hum tumse dur na tum humse raho  
Kahena hajur woh humse tum kaho  
Hum ek to na kyu banke maheram rahe  
Jo tum kaho hum woh sune  
Mile nazar to jaan le  
To jo kahan woh dil pe tha mere likha

Tum he to ho tum hi raho  
Mere maherban mere rajdaar  
Ek tum hi to ho  
Badale rute badale jahan  
Dil ke sansaar main is pyaar main  
Koi aur na ho  
Hum tumse dur na tum humse raho  
Kahena hajur woh humse tum kaho  
Hum ek to na kyu banke maheram rahe  
Jo tum kaho hum woh sune  
Mile nazar to jaan le  
To jo kahan woh dil pe tha mere likha

Tumhari bolati aankhe  
Jo khamosi se kuchh kehde  
Woh kwaahish kyun adhuri ho  
Tamanna kyun na puri ho  
Kyun na phir pyaar karu  
Kyun na ejhahar karu  
Chahat yahin mahobbat hai yahin  
Rasme wafa rivayat hain yahin  
Hum yeh safar kisi mod pe na ruke  
Jo tum kaho hum woh sune  
Mile nazar to jaan le  
Ke jo kahan woh dil pe tha mere likha

Tumhare saath din gujare

Tumhari baaho main raate  
Kare ek dusare pe hum  
Mahobaat ki yeh barasate  
Roz agar aisa ho to phir socho to  
Mausam hume jo sang sang aayege  
Udate huye yeh lamhe gayenge  
Ek pal ki thi kyu meri jaan judai sa yeh  
Jo tum kaho hum woh sune  
Mile nazar to jaan le  
Ke jo kahan ke jo kahan  
Woh dil pe tha woh dil pe tha  
Mere likha mere likha.
