

Tum Hi Tum Samaaye Lyrics

Ek tarfa sa jo humara ishq hai
Mujhko vo sataye
Bewajah hi dekho mere khwabon mein
Tum hi tum samaaye

Kyun kyun haan yun yun ho kyun
Tum hi samaaye samaaye
Kyun kyun haan

I am longing for your heart babe you dont seem to care
This unrequited love gives me pain I cannot bear
I keep dreaming of your smile I keep searching for a sign
Looks like in this lifetime you are just not meant to be mine

Hain meri aankhein nam par tumko na koi gham
Ek dooje ke na ban paye jo tum aur hum
Dil mein mere phir kyun hain aise bharam
Shayad naseeb hoge agle janam

Beqaraari neendein meri le jaaye
Chahat ye sataaye
Armaan mere saare reh gaye
Aur tum nahi aaye
Kyun kyun haan yun yun ho kyun
Tum hi samaaye samaaye

I am longing for your heart babe you dont seem to care
This unrequited love gives me pain I cannot bear
I keep dreaming of your smile I keep searching for a sign
Looks like in this lifetime you are just not meant to be mine

Kyun aise haan kyun aise
Haan kyun aise saamaaye
