

Dil ne chuna hai
Raahon mein nazaron mein tumhe tumhe
Main chahta hoon
Sau dafa hazaron mein tumhe tumhe

Tujhko khuda ne aise tarasha
Jaise gulon se hai shaakhe
Tu hans pade toh chalti hawayein
Teri nami se barsatein

Main chaand se teri haan teri
Tareefein karta hoon bas teri
Jiski badolat hai duniya meri
Tum ho na tum ho na
Tum ho na woh...

Ab tere haathon se
Lipti hai takdeerein yeh meri haan meri
Dil mera woh ghar hai
Jispe hai tasveerin ab teri haan teri
Bas mohabbat se
Ik baar haq se kehdo toh hum marjaye
Tum zaroorat se bhi ho zaroori
Bharatlyrics.com
Kaise juda reh paaye

Tum ho na tum ho na
Tum ho na woh tum ho na

Darr kaisa jab main hoon
Kyun rehte ho khoye se kaho haan kaho
Yeh sach hai jo bhi hain
Khud haathon se chhun kar dekh lo dekh lo
Mujhpe bharosa karlo zara sa
Aur kuchh nahi hum chahe

Tere liye jo lamha ruka hai
Aa saath mein le jaye
Do hi kadam pe hai manzile
Phir aur humko kya chahiye
Tere liye main hoon mere liye

Tum ho na tum ho na
Tum ho na woh tum ho na

I see you standing watching over me
Tum ho na tum ho na

Watching over me
Watching over me

I see you standing
Watching over me
Tum ho na tum ho na woh
I see you standing
Watching over me
Tum ho na tum ho na woh

So lets just find a way
Please don't walk away
I just cant wait no more

So lets just find a way
Please don't walk away
I am still holding on
I see you standing
Watching over me
I see you standing
Watching over me.
