

Main hoon aur mere khayalaat  
Mere saamane hain  
Tere yaadon ke silsile hain  
Meri aankhon mein

Tum jo muskaate the  
Tum jo muskaate the dil behal jaata tha  
Tum kareeb aate the  
Main behak jaata tha  
Tum nahi toh nahi koi bhi hamara  
Tum jo muskaate the dil behal jaata tha  
Tum nahi toh nahi koi bhi hamara

Tumko maanga tha sanam duaaron ki tarah  
Tum chale aaye sanam haadhason ki tarah  
Chaand aur chaandani sa milan hamara  
Bitch gaya raah mein dilnashi nazara  
Ho paayalen chudiyaan madbhari raaten  
Kaanpte lab tere jheel si aankhen  
Nit subha uthh jana pooja ghar se aana  
Aarti saad ke bindiya ka sitara  
Tum jo muskaate the dil behal jaata tha  
Tum nahi toh nahi koi bhi hamara

Har woh suhanapan meri jaagir ho gaya  
Tu chahe na chahe meri taqdeer ho gaya  
Yaad har shaam hain dariyaa ke kinaare  
Pyar ke haai woh kitne din the pyaare  
Mera har geet par kamyabi paana  
Woh teri thi duaan aaj maine jaana  
Mere har mansube aansuon mein doobe

Aa bhi jaa meet mere dil ne hain pukara  
Tum jo muskaate the dil behal jaata tha  
Tum nahi toh nahi koi bhi hamara.
