

Dekha na tum sa koi humne haseen
Jhoota nahin mein mera karle yakeen
Bharatlyrics.com
Pyar mohabat hain kehte jise
Wohi huva hai humain tumse
Tum kaho to aasman se
Yeah sare tare torh laaen abhi
Tum chaho chand se
Yeah roshini cheen laaen tere liye sabhi

Aankhon mein jaado hai baton mein nasha
Zaalim hai baree teri uff yeah adaa
Pyar mohabat hain kehte jise
Pehli nazar mein huva tumse

Duur, duur na jana humse tum
Paas, paas rehna mere tum
Soniya mere mehrban
Mere haniya mere diljaniya
Soniya mere mehrban
Mere haniya mere diljaniya

Tum kaho to aasman se
Yeah sare tare torh laaen abhi
Tum chaho chand se yeah roshini
Cheen laaen tare liye sabhi
Tum kaho to aasman se
Yeah sare tare torh laaen abhi
Tum chaho chand se yeah roshini
Cheen laaen tare liye sabhi
Sare tare torh laaen abhi tum chaho
Sare tare torh laaen abhi tum chaho

Sare tare torh laaen abhi tum chaho

Tum kaho to aasman se

Yeah sare tare torh laaen abhi

Tum kaho to aasman se

Yeah sare tare torh laaen abhi

Dekha na tum sa koi humne haseen

Jhoota nahin mein mera karle yakeen

Pyar mohabat hain kehte jise

Wohi huva hai humain tumse

Tum kaho to aasman se

Yeah sare tare torh laaen abhi

Tum chaho chand se

Yeah roshini cheen laaen tere liye sabhi.
