

Phirun kahan mein darbadar,  
Tujhse hun bekhabar  
Teri raah takte takte  
Hojaon na mein amar

Tum laut aao na meri aankhon mein meri saanso mein  
Har pal hi dooba rahoon teri yadon mein teri baton mein  
Hogaya hai mujhko ye kiya ay, khuda tu hi bata

Kiun yeh dil hai ab de raha har pal teri sada  
Kiun yeh duur tujhse huwa kal tak jo tha bas tera  
Ro raha hai mann kiun mera ay, khuda tu hi bata

Ay dil bta de, tu kahan chala hai  
Usy dhoondne phir , jo tera jahan hai  
Jo kaha tha mene , usy bhool ja tu  
Aa galy laga le meri jan kahan hai
