

Tum meri ho bas meri ho
Kisi aur ki nahin ho
Tum meri ho bas meri ho
Kisi aur ki nahin ho
Tere chaand jaise chehare pe
Dil fidda hain
Tu mera pyar mera khuda hai
Tu mera pyar mera khuda hai
Tum meri ho bas meri ho
Kisi aur ki nahin ho

Mujhe chaho yaa na chaho
Mumkin hain ye magar
Tumhein paake main rahunga
Jaan apni bhi dekar
Mujhe chaho yaa na chaho
Mumkin hain ye magar
Tumhein paake main rahunga
Jaan apni bhi dekar
Sab se juda aye jaan teri adda hai
Tu mera pyar mera khuda hai
Tu mera pyar mera khuda hai
Tum meri ho bas meri ho
Kisi aur ki nahin ho

Tujhe kaise main bataun
Hai tera deewana
Teri chahat mein ho chuka hoon
Main sab se begaana

Ho tujhe kaise main bataun
Hai tera deewana
Teri chahat mein ho chuka hoon
Main sab se begaana
Meri dhadkano pe naam tera likha hai
Tu mera pyar mera khuda hai
Tu mera pyar mera khuda hai
Tum meri ho bas meri ho
Kisi aur ki nahin ho

Teri zulfon ko sanwarun
Tujhe baahon mein bharloon
Hasrat hain had se jyada
Tujhe pyaar main karloon
Ho teri zulfon ko sanwarun
Tujhe baahon mein bharloon
Hasrat hain had se jyada
Tujhe pyaar main karloon
Mere dil ka tere dil se yeh rishta hai
Tu mera pyaar mera khuda hai
Tu mera pyaar mera khuda hai
Tum meri ho bas meri ho
Kisi aur ki nahin ho.
