

Tum mile jaane dil ko mere kya huwa, jaane mere dil ko kya huwa
Bekhbar har dhadkan tadapane lagi, jaane mere dil ko kya huwa
Tum mile jaane dil ko mere kya huwa, jaane mere dil ko kya huwa
Main tu hoo to huwa khud se juda, hai tera kaisa asar
Hai bheed mein tanhaayiyan, yeh kis mod par
Meri nazar ko iss tarah teri nazar ne chhuva
Bechainiyaan aisi badhi, mera sukoon gum huwa
Har ghadi ek ajab sa hai chhaaya nasha, jaane mere dil ko kya huwa
Hum dono toh chup hai magar, bole hai khaamoshiyaan

Aate nahin hum hosh mein, kaisi yeh madhoshiya
Hum ko nahi kuchh bhi pata, kaise deewaane hai hum
Roke se bhi abb na ruke deewaanehey mein kadam
Mein dhadkano ka hasin silsila, jaane mere dil ko kya huwa
Tum mile jaane dil ko mere kya huwa, jaane mere dil ko kya huwa.
