

Bin dekhe aur bin pahachaane
Tum par ham kurbaan
Mohabbat isako kahate hai
Mohabbat isako kahate hai

Bin dekhe aur bin pahachaane
Tum par ham kurbaan
Mohabbat isako kahate hai
Mohabbat isako kahate hai
Gar tum par naa marate to
Jinaa thaa aasaan
Mohabbat isako kahate hai
Mohabbat isako kahate hai

Chaahat ke sandeshe
Lekar aati hai shaam
Gar tum bhi aa jaate
To aa jaataa aaraam
Chaahat ke sadesh
Lekar aati hai shaam
Gar tum bhi aa jaate
To aa jaataa aaraam

lyrics

Dil ki basti bas hi jaati
Meri har dhadakan ye gaati
Tum aate to mujhpar hotaa
Kitanaa badaa ehasaan

Bin dekhe aur bin pahachaane
Tum par ham kurbaan
Mohabbat isako kahate hai
Mohabbat isako kahate hai
Gar tum par naa marate
To jinaa thaa aasaan
Mohabbat isako kahate hai
Mohabbat isako kahate hai

Bekal mere aramaa
Bekal hai meraa pyaar
Kab se mai karataa hu
Tumhaaraa intazaar

Bekal mere aramaa
Bekal hai meraa pyaar
Kab se mai karataa hu
Tumhaaraa intazaar

Kab se meri baahe suni
Jivan ki ye raahe suni
Tum bin kaise pure hoge
Dil me base aramaan

Bin dekhe aur bin pahachaane
Tum par ham kurbaan
Mohabbat isako kahate hai
Mohabbat isako kahate hai
Gar tum par naa marate
