

Tum saath ho jab apne
Duniya ko dikha denge
Ham maut ko jine ke
Andaaz sikha denge
Tum saath ho jab apne
Duniya ko dikha denge
Ham maut ko jine ke
Andaaz sikha denge

Maana ke andheron ke
Gahare hain bahut saaye
Are maana ke andheron ke
Gahare hain bahut saaye
Par ham hai yahaan kis
Ko aati hai to raat aae
Ham raat ke sine mein ik
Shamma jala denge lala la lala
Tum saath ho jab apne
Duniya ko dikha denge lala la lala
Ham maut ko jine ke
Andaaz sikha denge lala la lala

Ham to hain dil vaale
Khanjar se nahin marate lala
Are ham to hain dil vaale
Khanjar se nahin marate lala la
Ham zulfon ke qaidi hain
Suli se nahin darate
Suli ko bhi zulfon ki
Zanjir bana denge lala la
Tum saath ho jab apne
Duniya ko dikha denge lala la
Ham maut ko jine ke
Andaaz sikha denge lala la

Ai ahal-e-jahaan tum ko
Nafarat ki hai bimaari lala
Ai ahal-e-jahaan tum ko
Nafarat ki hai bimaari lala la
Bhadakaaya karo shole

Phenka karo chingaari
Ham pyaar ki shabanam
Se har aag bujha denge
Tum saath ho jab apne
Duniya ko dikha denge lala la lala
Ham maut ko jine ke andaaz
Sikha denge lala la lala
Tum saath ho jab apne duniya
Ko dikha denge lala la lala
Ham maut ko jine ke andaaz
Sikha denge lala la lala
Tum saath ho jab apne
Duniya ko dikha dengelala la lala
Ham maut ko jine ke andaaz
