

Tum samne ho mere tum samne ho mere
Main aur kahi hu jara
Chhu ke mujhe dekhna main hu ke nahi hu
Tum samne ho mere tum samne ho mere
Mai aur kahi hu jara chu ke mujhe dekhna
Main hu ke nahi hu main hu ke nahi hu

Kitne daraj ho gaye nazar ke fasale
Idhar ke fasle aur udhar ke fasale
Li lah tum meri intehan imtehan na lo

Duswar ho chuke hai ab sabar ke fasle
Itna sawal tujhme main main na rahi
Main main na rahi, main main na rahi
Pahchano mujhe tum kahi
Main tu to nahi hu
Tum samne mere mai aur kahi hu
Jara chhu ke mujhe dekhna
Main hu ke nahi hu

Layi hai kismata mujhe dil ki lagim se
Layi hai kismata mujhe dil ki lagim se
Teri aanke samajhti hai ajnabi mujhe
Batak na jaau mai gum ke andhero me
Lota de meri jindgi roshni mujhe

Tukra ke ja rha hai tu mere nasib ko
Mere nasib ko, mere nasib ko
Teri pasand hu mai koi gair nahi hu
Tum samne ho mere mai aur kahi hu
Tum samne ho mere, tum samne ho mere
Main aur kahi hu
Jara chhu ke mujhe dekhna
Main hu ke nahi hu
Tum samne ho mere.
