

Tumako pataa hai
Tum ko pataa hai
Is college ke ik ladake aur ladaki me
You know what i mean

My goodness kaun hai vo
Kyaa naam hai un kaa
Tum ko bataa detaa hun
Lekin dekho, yaani samajhi?
Uff o, hadh hai kaan mein bolo, sach!?
Haan bilakul sach hai

College kaa ik ladakaa hai
Aur college ki ik ladaki
Nain mile aur unake
Dil mein ik chigaari bhadaki
Pyaar kaa chakkar hai ye hai na
Dekho kisi se na kahanaa
Pyaar kaa chakkar hai ye hai na
Dekho kisi se na kahanaa
Vo ladakaa aur ye ladaki
Koi maan nahi sakataa hai
Kab kyaa ho jaataa hai
Koi jaan nahi sakataa hai

Sir ne puchhaa kis ne ladi thi
Paanipat ki ladaai
Ladake ne sochaa aur
Bolaa aaj nahi vo aai
Bharatlyrics.com
Sir ne puchhaa kis ne
Ladi thi paanipat ki ladaai
Ladake ne sochaa aur
Bolaa aaj nahi vo aai
Pyaar kaa chakkar hai ye hai na
Dekho kisi se na kahanaa
Eee pyaar kaa chakkar hai ye hai na
Dekho kisi se na kahanaa

College ke baahar bhi

Sunaa hai vo dono milate hai
Ab to dekhe kyaa ho bhaiyaa
Kyaa kyaa gul khilate hai

Ladake ki dhun me ladaki
Bhi aisi hai pagalaai
Hindi ki kakshhaa mein
Bhaiyaa english book le aai
Ladake ki dhun mein
Ladaki bhi aisi hai pagalaai
Hindi ki kakshhaa mein
Bhaiyaa english book le aai
Kyo ki pyaar kaa chakkar hai ye hai na
Dekho kisi se na kahanaa
Hum to bolenge!
Pyaar kaa chakkar hai ye hai na
Dekho kisi se na kahanaa

Kal jab ladakaa college
Aayaa ladaki bhi saath aai
Achchhaa?
Mai ne puchhaa ye sab kyaa hai
Kyaa bole vo?
Bolege kyaa
Ladkaa kaafi jhep gayaa
Aur ladaki bhi sharamaayi
So sweet

Jab se dono ek hue hai
Ye hotaa hai aksar
Ladaki kaa jab naam pukaaraa,
Ladakaa bolaa yes sir!
Jab se dono ek hue hai
Ye hotaa hai aksar
Ladaki kaa jab naam pukaaraa,
Ladakaa bolaa yes sir!
Pyaar kaa chakkar hai ye hai na
Dekho kisi se na kahanaa
Pyaar kaa chakkar hai ye hai na
Dekho kisi se na kahanaa

BHARAT
lyrics

College kaa ik ladakaa hai
Aur college ki ik ladaki
Nain mile aur unake
Dil mein ik chigaari bhadaki
Pyaar kaa chakkar hai ye hai na
Dekho kisi se na kahanaa
Pyaar kaa chakkar hai ye hai na
Dekho kisi se na kahanaa.
