

Tumhari bhi jai jai hamari bhi jai jai
Na tum hare na hum hare
Tumhari bhi jai jai hamari bhi jai jai
Na tum hare na hum hare

Safar sath jitna tha ho hi gaya tay
Na tum hare na hum hare
Tumhari bhi jai jai hamari bhi jai jai

Yaad ke phool ko hum to apne
Dil se rahenge lagaye
Yaad ke phool ko hum to apne
Dil se rahenge lagaye
Aur tum bhi hans lena jab ye
Deewana yaad aaye

Milenge jo fir se mila de sitare
Na tum hare na hum hare
Tumhari bhi jai jai hamari bhi jai jai

Waqt kahan rukta hai to phir
Tum kaise ruk jate
Waqt kahan rukta hai to phir
Tum kaise ruk jate
Aakhir kisne chand chhua hai
Hum kyun hath badhate
Jo uss paar ho tum
To hum is kinare
Na tum hare na hum hare
Tumhari bhi jai jai hamari bhi jai jai

Tha to bahut kahne ko lekin
Ab to chup behatar hai
Tha to bahut kahne ko lekin
Ab to chup behatar hai
Ye duniya hai ek saraay, jeevan ek safar hai
Ruka bhi hai koi kisi ke pukare
Na tum hare na hum hare

Safar sath jitna tha ho hi gaya tay
Na tum hare na hum hare

Tumhari bhi jai jai hamari bhi jai jai.
