

Karon kiya gila phir
Kya faida
Jo hona tha, woh hogya

Tum jo mujh se ab
Hui ho juda
Isi mien raazi, hoga khuda

Mohabbat ab main na, karounga kisi ko
Mohabbat ab main na, karounga kisi ko
Meri jagha tumne dedi kisi ko

Tere bina main
Reh na sakoñga
Tujh pe sharoo main
Tujh pe khatam main
Tum jo mujh se ab
Hui ho juda
Isi mien raazi, hoga khuda
Tere siva rab se, na mangon kise ko
Tere siva rab se, na mangon kise ko

So sick of love songs
I'm sick of the pain
Its out with the old one
Theres nothing to say
You were my pleasure
You were the blood
In my veins

I gave you my last name
And i took an I
Seeing you with him
Is bad for my health

But i will be waiting
Cause nobodies taking
Your place

Meri jagha tumne, de di kisiko
Tumhari jagga main na, donga kisiko.
