

Tumhe main agar apna saathi bana loon  
Bata do mera saath doge kahaan tak

Zameen se jahaan aasamaan mil raha hai  
Na chhodenge daaman tumhara vahaan tak

Tumhe main agar apna saathi bana loon  
Bata do mera saath doge kahaan tak

Zameen se jahaan aasamaan mil raha hai  
Na chhodenge daaman tumhara vahaan tak

Yahaan har qadam par nayi dilkashi hai  
Kahaan tak tumhara bharosa karoon main

Yahaan har qadam par nayi dilkashi hai  
Kahaan tak tumhara bharosa karoon main

Dua hai ke benoor ho jaayein aankhein  
Kisi aur ki jo tamanna karoon main

Tumhe main agar apna saathi bana loon  
Bata do mera saath doge kahaan tak

Zameen se jahaan aasamaan mil raha hai  
Na chhodenge daaman tumhara vahaan tak

Salaamat hain jab tak ye zulfon ke saaye  
To phir kisako jannat ka aramaan hoga

Salaamat hain jab tak ye zulfon ke saaye  
To phir kisako jannat ka aramaan hoga

Tumhare hi qadamon mein marana hua  
To ye marana muje kitana aasaan hoga

Tumhe main agar apna saathi bana loon  
Bata do mera saath doge kahaan tak

Zameen se jahaan aasamaan mil raha hai
