

Tumhe mohabbat hai hamase  
Mana bataao is ka sabut kya hai  
Tumhe mohabbat hai hamase  
Mana bataao is ka sabut kya hai  
Ye haath sine pe rakh ke dekho  
Na puchho is ka sabut kya hai  
Tumhe mohabbat hai hamase mana

Ye dil ki dhadakan ye sard aahe  
Yahi shiqaayat hai har kisi ko  
Nai balaa ko jab bhi dekhaa  
To pyaar karane lage usi se  
Nai bhalaa isame baat kya hai ki

Ye fasaanaa bahut sunaa hai  
Ye haath sine pe tumhe  
Mohabbat hai hamase mana

Jo aag sine me hai hamaare  
Tumhaare hoti to jaan lete  
Jo aag sine me hai hamaare  
Tumhaare hoti to jaan lete  
Bagair koi sabut maange  
Hamaari chaahat ko maan lete  
Tumhaari aankho me kaash hota  
Hamaari aankho me jo nasha hai  
Ye haath sine pe tumhe  
Mohabbat hai hamase mana

Yahi nasha jo rahe hameshaa to  
Ham bhi chaahat kaa jaam pi le  
Yahi nasha jo rahe hameshaa to  
Ham bhi chaahat kaa jaam pi le  
Ye daur-e-saagar yun hi chalegaa  
To le ke saaqi kaa naam pi le  
Magar ye ham par qaram ki nazare  
Badal na jaaengi kya pataa hai  
Ye haath sine pe tumhe  
Mohabbat hai hamase mana

Hame to saaqi se vaastaa hai  
Suraahi badale yaa jaam badale  
Hame to saaqi se vaastaa hai  
Suraahi badale yaa jaam badale  
Tere divaane kabhi na badalege  
Chaahe sara nijaam badale  
Tere hi qadamo me jaan dege  
Ye dil tujhe jab de diyaa hai  
Tumhe mohabbat hai hamase mana.
