

Tumko apani zindagi ka
Aasara samajhe the hum

Bewafa nikale ho tum kab
Bewafa samajhe the hum

Dil beqarar hai mera
Dil beqarar hai

Dil beqarar hai mera
Dil beqarar hai

Us beqadar ka tir
Mere dil ke paar hai

Samajhe huye the hum
Jise ulfat ki chand raat

Ulfat ki chand raat
Samajhe huye the hum

Jise ulfat ki chand raat
Ulfat ki chand raat

Humako jala rahi hai
Us bewafa ki baat

Humako jala rahi hai
Us bewafa ki baat

Bigade huye
Bigade huye nasib

Pe kya ektiyaar hai
Dil beqarar hai mera

Dil beqarar hai
Us beqadar ka tir
Mere dil ke paar hai

Duniya ke saath saath yu
Wo bhi badal gaye

Wo bhi badal gaye

Duniya ke saath saath yu

Wo bhi badal gaye

Ke janaze nikal gaye

Aankhon se aansuon

Ke janaze nikal gaye

Taqadir ki

Taqadir ki nazar lagi har phool kaar hai

Dil beqarar hai mera dil beqarar hai

Us beqadar ka tir mere dil ke paar hai

Dil beqarar hai mera dil beqarar hai.
