

Tumko dekha aur ho gaya  
Duniya se begana main  
Tumko dekha aur ho gaya  
Duniya se begana main  
Sabse deewana tha majnu  
Usse bhi deewana main  
Han han sabse deewana tha majnu  
Usse bhi deewana main

Tumko dekha aur ho gayi  
Duniya se begani main  
Tumko dekha aur ho gayi  
Duniya se begani main  
Sabse deewani thi laila  
Usse bhi deewani main  
Han han sabse deewani thi laila  
Usse bhi deewani main

Aye mere khwabo ki sajjadi  
Khwabo ki tabir hai tu  
Barso tarasha tha maine jise  
Wo sokh taswir hai tu  
Aankho hi aankho mein bate kare  
Dushman jamane se hum kyu dare  
Dushman jamane se hum kyu dare  
Chahat ke sholo mein jalte hai hum  
Shama tu parwana main  
Sab se deewana tha majnu  
Usse bhi deewana main  
Han han sab se deewana tha majnu  
Usse bhi deewana main

Laila to majnu se mil na saki  
Hum dono mil ke rahenge  
Aashik hai hum to naye daur ke  
Hum na judai sahenge  
Rahenge sada in fizaon mein hum  
Mahakte rahenge hawao mein hum  
Mahakte rahenge hawao mein hum  
Bas ek tujhe janti hu sanam

Hu sabse anjani main  
Sabse deewani thi laila  
Usse bhi deewani main  
Han han sabse deewani thi laila  
Usse bhi deewani main

Tumko dekha aur ho gayi  
Duniya se begani main  
Tumko dekha aur ho gaya  
Duniya se begana mai  
Sabse deewani thi laila  
Usse bhi deewani main  
Han han sabse deewana tha majnu
