

Tumne jo chhuan
Nabz tham si gayi
Saanse jam si gayi
Tabhi aasmaan mein
Mere jismo jaa mein
Kaisi aag lagi kaisi pyaas jagi
Jaadu chhale laga hosh jaane laga
O ho tumne jo chhuan
Tumne jo chhuan tumne tumne..
Tumne jo chhuan

Tumne jo chhuan
Tohfa kaise karoon
Khud ko kya sambhaloon
Main badal si gayi
Main pigalti gayi
Hoth daabe aise
Bijali ke dar se
Kya gunaah karta thaa
Yaad kuchh na raha
O ho tumne jo chhuan
Tumne jo chhuan tumne tumne..

Tumne jo chhuan

Tumne jo chhuan
Tum se kya chhupaaun
Tumhein kya bataaun
Uthi ko tarange jaagi jo umange
Hai adaye nayi haiye sang nayi
Ang ang khila sang naye khila
O ho tumne jo chhuan
Tumne jo chhuan tumne tumne..
Tumne jo chhuan
Tumne jo chhuan tumne tumne..
