

Tumsa koi nahin zamaane mein  
Tumsa koi nahin zamaane mein  
Sari duniya ko aaj maya hai  
Aisa lagta hai tujhko malik ne  
Aisa lagta hai tujhko malik ne  
Sirf mere liye banaya hai  
Tumsa koi nahin zamaane mein

Phul jab bhi khile hai gulshan mein  
Mahek tere badan ki aayi hai

Phul jab bhi khile hai gulshan mein  
Mahek tere badan ki aayi hai  
Hoth jab bhi khile hai tere sanam  
Sari duniya hi muskurai hai  
Jab bhi dekha hai chand ko meine  
Jab bhi dekha hai chand ko meine  
Mujhko tera khayal aaya hai  
Tumsa koi nahin zamaane mein

Sokhiya aapne sikhayi hai  
Mast sawan ki in hawao ko  
Sokhiya aapne sikhayi hai  
Mast sawan ki in hawao ko  
Dekh kar aap ki si aar zulfein  
Sharm aane lagi gatao ko  
Bhiga bhiga sa ye badan tauba  
Bhiga bhiga sa ye badan tauba  
Mera iman dag magaya hai  
Tumsa koi nahin zamaane mein

Tu farishta hai aasmano ka  
Meri duniya mera naseeb hai tu  
Tu farishta hai aasmano ka  
Meri duniya mera naseeb hai tu  
Meri nazaro mein tu samayi hai  
Mere dil ke bahut karib hai tu  
Ab na bichhadenge zindagi mein kabhi  
Ab na bichhadenge zindagi mein kabhi  
Hum ko taqdeer ne milaya hai

Tumsa koi nahin zamaane mein  
Sari duniya ko aaj maya hai  
Aisa lagta hai tujhko malik ne  
Sirf mere liye banaya hai  
Tumsa koi nahin zamaane mein.
